

## Transfer Credits from CodeX Academy

Effective from March 22, 2023 to March 22, 2028

DeVry University has developed this Transfer Guide to assist students transferring from CodeX Academy to DeVry. This guide doesn't represent all courses required for DeVry programs; rather, it provides a list of courses that, when completed at CodeX Academy, may receive prior learning credit at DeVry. For a complete list of course requirements in each DeVry program, please see the [Academic Catalog](#).

This guide is based on a review of CodeX Academy courses by DeVry as of 3-22-23 and is subject to review and modification at any time and without prior notice. Limitations and restrictions may apply.

### Process

Applicants seeking to prior learning credit must:

1. Request a formal credit evaluation prior to beginning their first class at DeVry University; and
2. Provide to DeVry an official transcript from the institution where the credit was earned.

Please contact a DeVry University admissions representative to request a prior learning credit evaluation. Prior learning credit is considered on an individual basis and awarded upon receipt of an official transcript only.

### Limitations and Restrictions

Admission and prior learning credit applicability are subject but not limited to DeVry University's admission requirements, program requirements, and academic policies, including but not limited to the prior learning credit policy. Additional state-specific requirements for prior learning credit acceptance may apply.

Please note the following:

- A grade of C (70%) or higher is required for all transfer credits to DeVry University. Grade requirements may also apply to other types of prior learning credit. Courses accepted in transfer may not be applicable to the academic program chosen by the student.
- Curriculum changes at either institution may affect transferability and applicability of certain credits. A time limit may be imposed on the ability to transfer credits for some courses, especially those in technical or evolving areas.

**Provisions of this transfer guide do not constitute a contract, expressed or implied, between any applicant or student and DeVry University. Information contained herein is neither an award nor a commitment to award credit at DeVry University.**

**In New York, DeVry University operates as DeVry College of New York.** DeVry University is accredited by the Higher Learning Commission (HLC), <https://www.hlcommission.org>. Keller Graduate School of Management is included in this accreditation. DeVry is certified to operate by the State Council of Higher Education for Virginia. Arlington Campus: 1400 Crystal Dr., Ste. 120, Arlington, VA 22202. DeVry University is authorized for operation as a postsecondary educational institution by the Tennessee Higher Education Commission, <https://www.tn.gov/thec>. Nashville Campus: 301 S. Perimeter Park Dr., Ste. 100, Nashville, TN 37211. Programs, course requirements and availability vary by location. Some courses may be available online only. All students enrolled in site-based programs will be required to take some coursework online. Some students in certain programs and at certain locations may be required to complete a substantial portion of program coursework online. ©2023 DeVry Educational Development Corp.
