

BUSINESS MANAGEMENT

Specialization: Health Services Management

ABOUT THIS DEGREE PROGRAM

EMPOWERING EMERGING MANAGERS AND TEAM LEADERS

This program is designed to support students seeking to sharpen their managerial skills for a broad range of industries and organizational situations. Coursework provides a foundation of managerial principles to help students develop their leadership potential and complement their operational experience. The curriculum explores essential business topics, provides opportunities to specialize and integrates elective courses enabling students to develop skills to drive organizational change, manage projects, and achieve strategic and operational objectives.

A PROGRAM TO FUEL YOUR FUTURE

In this specialization, you'll learn to allocate financial and human resources to leverage business opportunities in health services.

IS THIS PROGRAM FOR YOU?

You'll have a chance to develop a relevant skillset in business research, problem-solving, applied technology and resource allocation – giving you a hands-on foundation in data analysis, business operations and managerial leadership.

CAREER OPPORTUNITIES

Graduates of DeVry University's [Business Management program with a specialization in Health Services Management](#) may consider, but are not limited to, the following careers:
